Experience

Internship

Tann Mann Foundation

Remote

Apr- Aug

I completed a 5-month internship at Tann Mann Foundation, a non-profit organization located in Bangalore City, where I gained valuable knowledge.

- Worked on **3 main websites** end-to-end with React JS, tailwind CSS, node js, and Mongo DB.
- I was working on both Frontend and Backend. for all 3 Projects
- Collaborating with a dedicated team, I navigated challenges, contributed meaningfully to projects, and refined my problem-solving skills.
